Dear ladies and gentlemen,

we intend to organise an international choir festival ("Choriolle") in 2023 in the city of Brandenburg on the Havel and would like to invite you to this event.

The choir festival should take place from March, 24th to March, 26th, 2023. We plan to invite 4 to 5 international choirs. In order to have the opportunity to spend some time together and to get to know the beautiful surroundings, it would be good to arrive before the festival. Brandenburg is a small city about 70km from Berlin.

We plan a get-together on March, 24th 2023 in the evening. On March 25th, the choir festival will take place in a former cloister ("Paulikloster"). On March 26th, we will have the chance to go on excursions.

We would like to host you in our families and will look for food as well.

Please answer soon!

Yours,

Bernhard Barth
